What is Arizona's Lifetime License and Stamp Program?

Arizona's lifetime general hunting and fishing license and trout stamp program is a new and unique opportunity for resident sportsmen and sports-women to participate in the long-term funding of Arizona's Wildlife Conservation programs.

The dollars derived from the sale of these special licenses will be deposited into a newly established ARIZONA WILDLIFE ENDOWMENT FUND from which only the interest accrued will be used for management programs. Therefore, your lifetime license dollars today will work for wildlife for many years to come.

What Does This License Do For You?

As a purchaser or recipient of a lifetime license, you will be entitled to hunt and fish in Arizona for your lifetime, even if you move out of state. YOU CAN ALWAYS COME HOME TO ARIZONA to hunt and fish no matter where you live. There will no longer be the need to worry about last minute license purchases, expiration deadlines, license fee increases or residency requirements. You will retain the privilege for life.

Lifetime license holders will still be required to purchase either resident or nonresident big game tags or permits as required by law.

Change of Resident Status

If a lifetime license holder subsequently changes resident status from Arizona, the licensee must then purchase nonresident stamps, tags, and permits. A nonresident tag or stamp can accompany your lifetime resident license. The lifetime license will remain legal for the taking of all wildlife as permitted by law. Residency may be reestablished after moving back to Arizona and meeting the required time period as set forth by law.

What is My License?

Upon purchase of any lifetime license, you will be immediately issued a paper license valid for the taking of wildlife in Arizona. Shortly thereafter you will be supplied with your permanent plastic license appropriate to the license class purchased.

Lifetime License as a Gift

Arizona's lifetime licenses and lifetime trout stamp make the perfect gift for someone who shares your commitment to the resource. The lifetime license truly becomes THE GIFT FOR A LIFETIME!

The Lifetime Trout Stamp

The resident lifetime trout stamp can only accompany a lifetime class A fishing license to validate the taking of trout. This rendering from an original piece of artwork is depicted on a colorful and limited edition series stamp suitable for framing, as a gift, or as a collectible. You are not required to attach the stamp to your license. The class A lifetime license will designate the purchase of a lifetime trout stamp. Therefore, the stamp can be retained for collectible or display purposes. The stamp can be sold or given away, but the user privilege cannot be transferred.

Lost, Stolen or Destroyed License

If a license is lost, destroyed or stolen, a duplicate license may be obtained from the Department for a fee of \$3 and completion of an Affidavit of Loss. A lost or destroyed lifetime trout stamp cannot be replaced. However, the privilege for taking trout will remain intact when accompanied by your lifetime fishing license.

Residency Requirement

In order to purchase a lifetime license, a person must be a bona fide resident of the state of Arizona for six months immediately preceding the date of application. See Arizona Revised Statute 17-335.01 for additional information.
