

INPAWS Demonstration Garden Orchard in Bloom, Indianapolis May 2003

Nancy Hill's rustic bench was the inspiration piece.

A crew of Orchard boys
supplied the mulch.

The design team: Wendy Ford, Linda Bullard, Nancy Hill.

We moved the tarp and mulch three times to position the garden just right.

Lunch on the job.

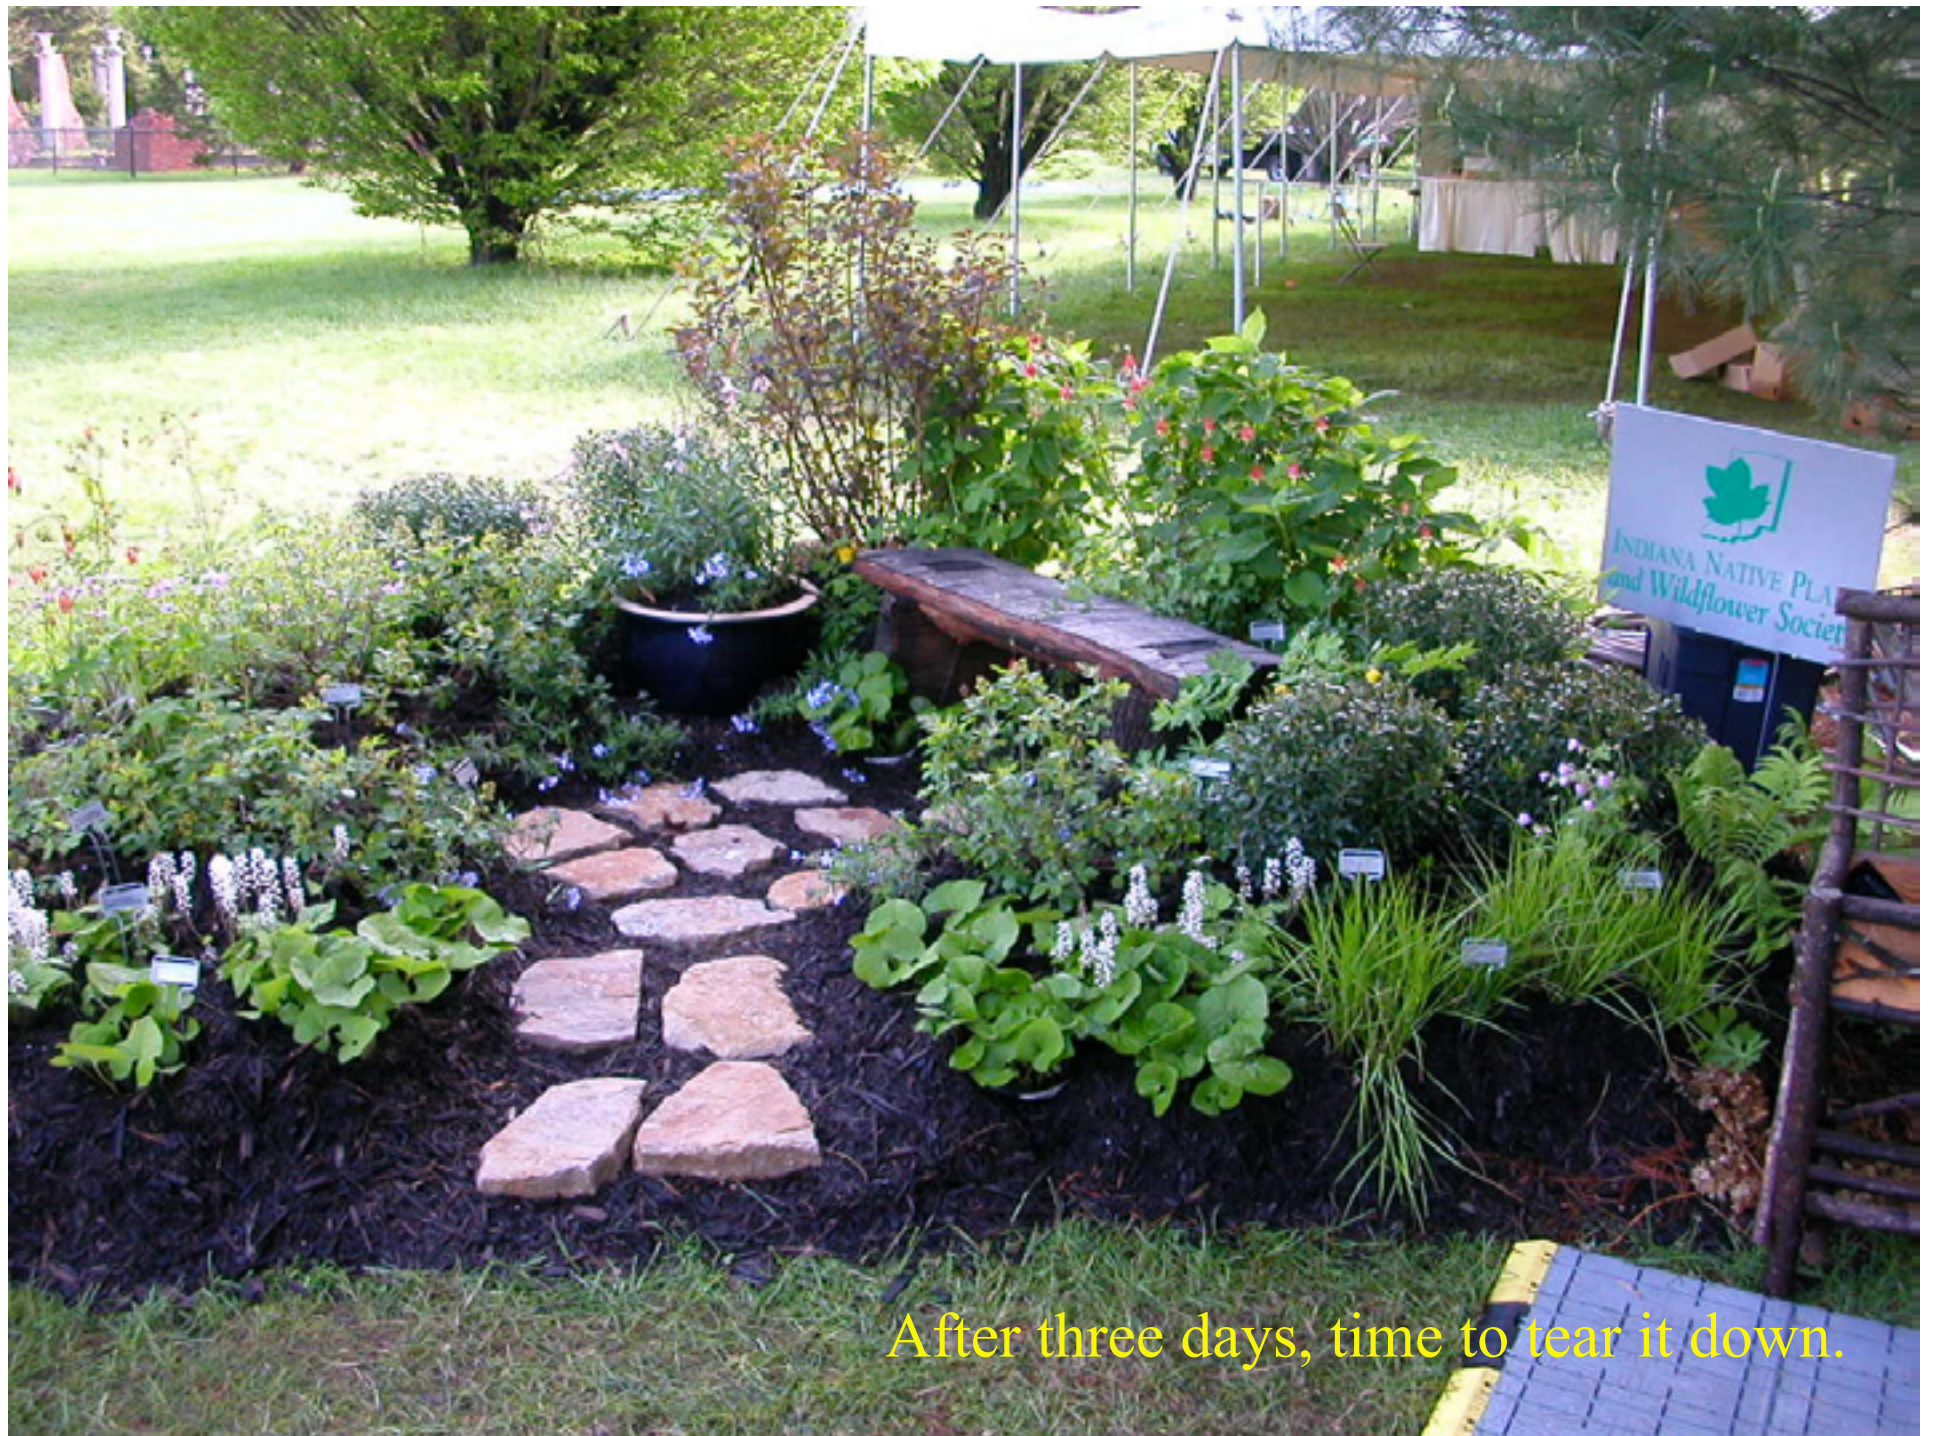

A well-deserved break for Dan and Sophia Anderson.

The plant lady in her element.

Ready for visitors.

After three days, time to tear it down.

Gone...but not forgotten.
