

Do you like native wildflowers? So do we!

Join the Oklahoma Native Plant Society today!

ONPS will celebrate its 21st anniversary in 2007 and we invite you to come see the state and its floral diversity with us. There is a Chapter near you that offers regular meetings and field trips and there are statewide meetings and workshops throughout the year. Membership includes a subscription to our quarterly newsletter, the *Gaillardia*, notification of related meetings, field trips and workshops, *and* good times with your fellow native plant enthusiasts!

Flowers L to R: Indian blanket with Gaillardia moth (*Gaillardia pulchella*), Longhair phlox (*Phlox longipilosa*) & Showy evening primrose (*Oenothera speciosa*)

See our website: <http://www.usao.edu/~onps/index.html>

"to encourage the study, protection, use and appreciation of the native plants of Oklahoma"
