

Community Planning *is not* going away and neither is HPLS!!!!

- Newly revised guidance will accompany new health department funding opportunity
- Multiple opportunities for input
- *HPLS will occur on a bi-annual basis* – alternate years from the National HIV Prevention Conference (Aug. '09). HPLS returns in 2010.
 - More accountability regarding #s of HIV/AIDS conferences/year
 - More efficient use of \$\$ in a time of constrained resources
