The University of Minnesota is partnering with Lutheran World Relief, Presbyterian Church USA Enough for Everyone, Catholic Relief Services, United Methodist Committee on Relief and the Episcopal Church Peace and Justice Ministries for the Eco-Palms program.

Your purchase means more than just protecting vital rainforests in Guatemala and Mexico. It also means increased family and community income, health insurance for harvesters, scholarships that allow young women and girls to attend school, vendors that bring nutrient-rich fruits and vegetables, and healthcare providers that give much needed medical care.
