

Coos Bay District BLM Planning Update

Spring 2008

January 16, 2008

Dear Citizen:

The Spring 2008 edition of the *Planning Update* is not being distributed as there have been no changes from the Fall 2007 issue. A copy of the Fall issue is available for viewing on the Coos Bay District's website, at: <http://www.blm.gov/or/districts/coosbay/plans/index.php>.

Subsequent editions may similarly not be issued or may be simply posted on the Coos Bay District website if there are minimal no changes in the status of projects outlined in the previous edition.

Legal notices published in *The World* newspaper of Coos Bay provide details on public involvement and the public comment process for these projects. *Planning Update* is published to provide current information about ongoing and future projects planned by the Coos Bay District of the Bureau of Land Management. It is our intent to increase the public's awareness of BLM activities and to seek ideas and comments from those who may be affected by our resource management programs.

Your ideas, comments, and participation help us make informed decisions and implement better projects. Please send written comments, including the specific project and field office name, during that project's public comment period to: 1300 Airport Lane, North Bend, OR 97459.

Thank you for your continued interest in public land management.

Sincerely,

Mark E. Johnson

Mark E. Johnson
District Manager
