(d) The WRPO must be signed by NRCS, FWS, Conservation District (CD), and the landowner(s). However, if agreement between NRCS and FWS, or CD at the local level is not reached within 20 calendar days, the WRPO shall be developed by the State Conservationist of NRCS in consultation with FWS or CD.

(e) The WRPO may require that a temporary vegetative or water cover be established on the property if immediate establishment of a permanent cover is not practicable or otherwise desirable.

(f) The terms of an approved WRPO shall not relieve the program participant of any obligation or term imposed or provided for in the contract, the easement, or this part.

(g) WRPO, where appropriate, will provide for the development of a tree planting plan with the assistance of the FS or State forestry agency.

(h) The WRPO, where appropriate, will provide for the development by NRCS of detailed plans for weed control, structural measures and their operation, vegetation establishment and

(i) Revisions of the WRPO to enhance or protect the value for which the easement was established may be made at any time at the request of either NRCS, FWS, the owner and upon the concurrence of all three parties.

§ 623.15 Transfer of land.

(a) If a new owner purchases or obtains the right and interest in, or right to occupancy of, the land subject to a EWRP easement, such new owner shall be subject to the terms and conditions of the easement. The participant who is the signatory to the easement shall be entitled to receive all remaining payments, if any, for the purchase of the easement. Eligible cost-share payments shall be made to the participants, with respect to costs actually incurred.

(b) Upon the transfer of the property subject to an EWRP easement, any remaining cost-share payments shall be paid to the new owner or purchaser only if the new owner or purchaser becomes a party to the WRPO within 60 days of the perfection of the deed transferring title to the new owner. Such payments shall be paid in the manner agreed to by the participant and the buyer. The new owner or purchaser shall be responsible for assuring completion of all measures and practices required by the contract and the WRPO.

(c) Any transfer of the property prior to the perfection of the easement shall void any NRCS offer or WRPO unless

Such NRCS action shall be in addition to other remedies available to NRCS.

(c) Monitoring and enforcement responsibilities may be delegated by NRCS at any time to other Federal or State agencies. Landowners may transfer management responsibilities only to Federal, State, or local agencies or private organizations that have been approved by NRCS in advance as having the appropriate authority, expertise, and resources necessary to carry out such delegated responsibilities.

§ 623.17 Violations and remedies.

(a) If a violation of the terms and conditions of the contract, the WRPO, or the recorded EWRP easement occurs, the easement shall remain in force and NRCS may:

(1) Require the owner to fully restore the easement area to fulfill the terms and conditions of the easement and WRPO; and

(2) Require the owner, who received payments from NRCS for any purpose under this part, to refund all or part of such payments received together with interest, as determined appropriate by NRCS.

(b) If an owner fails to carry out the terms and conditions of an easement, appropriate legal action may be initiated. The owner of the property shall reimburse NRCS for all costs incurred including, but not limited to, legal fees.
