

DO*e*patents **NEW!**

Comprehensive coverage of DOE patent information

From the 1940s to today!

*Search this new database of
patent information resulting from
research sponsored by DOE
and its predecessor agencies*

A  **Accelerator** Resource

www.ScienceAccelerator.gov/doepatents

Research and Development

- Demonstrates the Department's contribution to scientific progress in the physical sciences and other disciplines
- Makes available more than 20,000 searchable patent records, historic and current, updated frequently

Innovation and Invention

Features Include...

Patent News

Read stories about groundbreaking inventors and inventions

Recent Inventions and DOE Innovations

See the latest patents from DOE inventors and browse breakthrough inventions from the last two decades

Inventor Resources

- ★ Link to important inventor resources, including DOE's new Technology Transfer page, <http://techtransfer.energy.gov>

The Database...

- Offers basic and advanced search capabilities
- Contains bibliographic records, with links to full text
