
FEDERAL HOUSING FINANCE AGENCY

September 19, 2008

NOTICE

The Federal Housing Finance Agency has sent to the *Federal Register* a correction to its Interim Final Rule of September 16, 2008. The rule addressed factors for consideration by the Director in reviewing golden parachute payments and indemnification payments by regulated entities. The correction rescinds that portion of the rule on indemnification payments so it may be the subject of a stand-alone rule making. The rule provisions on golden parachutes remain effective and open for comment.
