Subject: Draft WRIS Advisory Group Charter

At the WRIS Advisory Group meeting in New Orleans, in July 2008, the Group discussed the development of a charter to guide the Group's actions. Attached is a draft of the charter; we welcome any feedback on the charter.

Should you have any questions or comments about the charter, please send them to WRIS@dol.gov, no later than October 30, 2008. This will give us time to finalize the charter in time for the next Advisory Group meeting, which we anticipate will be the first week of December, via teleconference.

Thank you.

Karen A. Staha
Director, Division of Performance Accountability
Office of Performance and Technology
