

## SOUTHEAST REGION

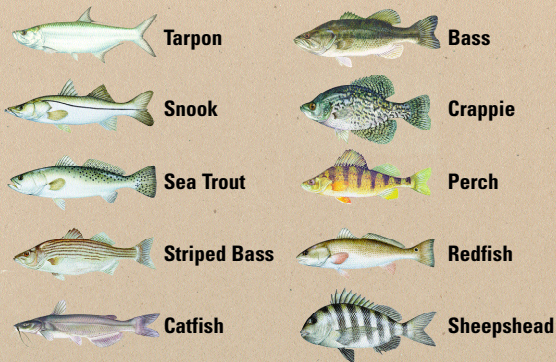

# Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee

Few regions can boast greater diversity in angling than the Southeast. Here, anglers will find some of the best of that uniquely American brand of angling—bass fishing—on such national wildlife refuges as Reelfoot, Big Lake and Santee. What else can an angler find in the refuges of the Southeast? A host of saltwater species, from red drum to snapper, snook to tarpon and beyond. It's time to go fishing!

George Gentry/USFWS
