

### Grocery Inventory

Section 16-4-115(1), MCA states a retail license to sell beer or table wine in the original package for off-premises consumption only may be issued to a qualified applicant whose premises proposed for licensing is operated as a bona fide grocery store or a drug store licensed as a pharmacy.

ARM 42.12.126(2) "The retail inventory of \$3,000 will be used as a basis for determining whether an establishment qualifies as a "bona fide grocery store". The retail inventory of at least \$3,000 must be maintained at all times. The retail inventory must include at least three different types of items in each of the following food groups; meats, vegetables, fruits, bakery items, dairy products and household supplies. For example, three different types of items in the dairy products group would be a cheese, a milk and a butter, but skim milk, chocolate milk and whole milk would not be considered as three different types of items in the dairy products group."

List three different types of food items you carry within each category listed below. Under Total Inventory state the total dollar retail inventory maintained in these above six food groups.
