Montana Tax Credits

We have listed the 30 Montana tax credits available to you under three categories. With the exception of the capital gains tax credit, which is required to be applied before any other credit, you are not required to apply any of these 30 tax credits against your income tax liability in any particular order.

Nonrefundable single-year credits. Your nonrefundable single-year credits can only be used to offset your 2007 resident, nonresident, or part-year resident tax after capital gains credit and cannot reduce your tax

liability below zero. The unused portion that exceeded your 2007 income tax liability cannot be used in future years.

Nonrefundable carryover credits. Your nonrefundable carryover credits can be used to offset your 2007 resident, nonresident, or part-year resident tax after capital gains credit and cannot reduce your tax liability below zero. Your excess credits that were not applied against your 2007 income tax liability can be carried over and used to offset future year tax liabilities.

Refundable credits. Your refundable credits are applied against your income tax liability with any unused credit refunded to you.
