

## Worksheet I - IRA Deduction: (No longer applicable after tax year 2006)

## Worksheet II - Tax Benefit Rule for Federal Income Tax Refund

If you received a federal income tax refund in 2007 and you did not itemize deductions in 2006, stop here, none of your federal income tax refund is taxable to Montana.

You can only use Worksheet II to determine how much of your federal income tax refund is taxable to Montana if the only refund or reimbursement you received in 2007 is for federal income taxes that you claimed as an itemized deduction in 2006.

You cannot use Worksheet II if you received any of the following refunds or reimbursements in 2007. Instead you should use Worksheet IX, "Tax Benefit Rule Recovery of Itemized Deductions."

- A federal income tax refund in 2007 for a federal tax deduction claimed in a year prior to 2006;
- A refund or reimbursement other than a federal income tax refund, such as a real property tax refund; or
- Your itemized deductions were limited in 2006 because of the excess adjusted gross income test.

You can obtain Worksheet IX by visiting our web site at [mt.gov/revenue](http://mt.gov/revenue) or by calling us at (406) 444-6900.

	Column A (for single, joint, separate, or head of household)	Column B (for spouse when filing separately using filing status 3a)
