MEMORANDUM NO. 128

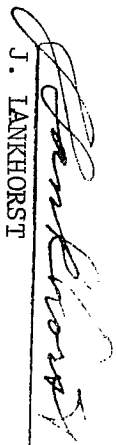

TO: All Government Contracting Agencies of the Federal Government and the District of Columbia, all International Unions, Contractors, Contractor Associations and Other Interested Parties

This is to notify those parties which, pursuant to Regulations, Title 29, Subtitle A, Part 1, CFR, Section 1.3(a), supply wage payment data to be used in compiling Davis-Bacon wage rate determinations that they are not to use the out-of-date WD-10 submission forms that do not include provision for the pay period ending date. There is attached a sample copy of the current WD-10, Contractor Report of Construction Wage Rates. Upon request an additional supply of these forms may be obtained from the Department of Labor at the address below or from Regional Office of the Wage and Hour Division. Any agency or organization choosing to use its own version of this form should insure that the pay period ending date is included.
