

# Reclamation Manual

## Directives and Standards

---

**Subject:** Delegations of Authority for Quarters and Property Management

**Purpose:** To redelegate authority for quarters and property management to the functional level in order to promote efficiency and effectiveness.

**Authority:** Departmental Manual 114 and Departmental Manual 205

**Contact:** Property and Facilities Group, D-7910

---

1. **Quarters.** Each Regional Director is authorized to perform the functions and exercise the authority granted to the Commissioner by the Departmental Manual (205 DM 10.1A and 205 DM 10.1B).
  - A. **Redelegation.** Regional Directors may redelegate this authority.
2. **Transfer and Disposal of Property.** The Regional Directors and the Director, Management Services, are authorized to perform the functions and exercise the authority with respect to personal property and to real property and related personal property which was granted to the Commissioner by the Departmental Manual (205 DM 9 and 205 DM 10.3).
  - A. **Limitations.** Excepted from this delegation is authority to determine to be excess or surplus, or to transfer outside Reclamation or otherwise dispose of, installed power generation or transmission facilities together with related land, buildings, fixtures, and installed equipment.
  - B. **Redelegation.** Regional Directors and the Director, Management Services, may redelegate this authority.
3. **Accountable Officers.** The following officers are designated accountable officers for Reclamation property held or acquired by the office under his/her jurisdiction (refer to FPMR 114S-60).

Regional Directors  
Director, Reclamation Service Center  
Director, Operations

- A. **Redelegation.** Officers may redelegate this authority as provided in FPMR 114S-60.
