MEMORANDUM FOR Robert Hill, Kellogg, Brown & Root (KBR), Regional Support Office, Al Asad, Iraq

SUBJECT: Letter of Technical Direction - LOTD# 05-59-B6-05: Power Generation - Generator Operations and Maintenance Support Al Taqqadim.

Ref: (a) Operations Support Command (OSC) Contract No. DAAA09-02-D-0007, Task Order 59, Change 7, Statement of Work Dated 14 Nov 04, and all attachments there to

1. In accordance with Reference (a), para 8.1, 8.3, the Government requests KBR to:
  - a.) Conduct a Technical Inspection of generators at Al Taqqadim shown on the attached spreadsheet from the 1<sup>st</sup> Force Service Support Group.
  - b.) Assume O&M of the generators that are serviceable or only have minor faults based on the Technical Inspection and add them to the KBR property book.
2. Point of Contact for this action is Maj Glenn Gerichten, GerichtenGE@fssgdm.usmc.mil
3. The government believes this request is within the existing scope of the referenced contract and included in the ROM. If you disagree, please notify me within three (3) working days.
4. If you agree that this work is in the ROM, you are authorized to begin immediately. Thanks in advance and please contact me immediately with further comment or to request clarification. Thanks in advance, questions regarding this action may be directed to the undersigned at [rodney.davis](mailto:rodney.davis) [REDACTED] or Commercial [REDACTED]

  
RODNEY A. DAVIS  
MAJ, USA  
Administrative Contracting Officer
