

Opportunities in Symptoms Management Research

National Institute of Nursing Research, NIH

NINR seeks applications for post-doctoral fellowship positions in its Symptom Management Laboratory. Successful applicants will be expected to conduct innovative clinical or translational research in symptom management in chronic or acute illness. Individuals with documented expertise in biobehavioral approaches to symptom management research are of particular interest. Candidates must have a Ph.D. as well as advanced training and accomplishment in symptom management research. The NINR Symptom Management Laboratory offers unparalleled opportunities for multidisciplinary collaboration throughout NIH.

For additional information, contact Katie Rizak at krizak@mail.nih.gov.

To apply, send your CV, cover letter including a summary of relevant experience, and the names and contact information for three recent references to:

Katie Rizak
National Institute of Nursing Research, NIH
10 Center Drive
CRC-East, Room 2-1339
Bethesda, MD 20892

Applications will be accepted until the position is filled.
