Re: Request for Extension of Time to File Comments in Response to Market Manipulation Rulemaking, P082900: Prohibitions on Market Manipulation and False Information in Subtitle B of the Energy Independence and Security Act of 2007

Dear Mr. Secretary:

I would like to formally withdraw the requests for an extension of the comment period in the above-captioned matter that I delivered to your offices last Friday, May 30. At the time these requests were made, we had not been informed that the Commission had extended its comment deadline.

Thank you for your attention to this matter.

Sincerely,

James D. Barnette
