**ORDER ON COMPLAINT COUNSEL'S MOTION
FOR EXTENSION OF TIME TO FILE PUBLIC VERSION
OF POST-TRIAL BRIEF AND FINDINGS**

I.

On June 23, 2004, Complaint Counsel filed a motion for extension of time to file a public version of its Post-Trial Brief and Proposed Findings. Respondent does not oppose the motion. For the reasons set forth below, the motion is GRANTED.

II.

Complaint Counsel and Respondent each filed their Post-Trial Briefs and Proposed Findings of Fact on June 16, 2004. These pleadings contain information that had been granted *in camera* treatment, thus the pleadings filed on June 16, 2004 were designated by the parties as *in camera*, pursuant to Commission Rule 3.45(e). Commission Rule 3.45(e) requires that, when a party includes specific information in a brief that has been granted *in camera* status, the party shall also file an public version of the document that redacts the *in camera* information within five days after filing the *in camera* version.

On June 18, 2004, non-party Cigna Healthcare of Texas, Inc. ("CIGNA"), filed a motion for *in camera* treatment of certain documents introduced at trial. In the instant motion, Complaint Counsel asserts that it is not able to properly redact all *in camera* evidence from its post trial pleadings until CIGNA's motion for *in camera* treatment has been ruled on.

By Order dated June 29, 2004, CIGNA's motion for *in camera* treatment was granted. Complaint Counsel is now in a position to redact all *in camera* information from its post trial

pleadings. Accordingly, Complaint Counsel has until July 1, 2004 to file a public version of its post trial pleadings.

To the extent that the June 29, 2004 Order on CIGNA's motion for *in camera* treatment affects the post trial pleadings filed by Respondent, Respondent also has until July 1, 2004 to file a public version of its post trial pleadings.
