MEDLINEPLUS HISPANIC AMERICAN HEALTH

<http://www.nlm.nih.gov/medlineplus/hispanicamericanhealth.html>

MedlinePlus is the National Library of Medicine's web site for **free** consumer health information. It is a selective list of authoritative health information resources from the National Institutes of Health (NIH) and other organizations.

- Over 700 health topics
- Generic, brand name prescription and over the counter drugs
- An illustrated medical encyclopedia
- Medical dictionary
- Clinical research studies
- Directories that include locations and credentials of doctors, dentists and hospitals

General Health Information Resources
