Briefly explain why you would like to intern for Congressman Dreier (if needed use additional paper).

The position of a Congressional Intern involves a wide variety of duties. These duties include general office work (computer skills, typing, filing, and answering phones), responding to constituent questions, and assisting staff with correspondence and research. Keeping this overview of the intern position in mind, please indicate a few of the aspects of the work you feel you would particularly enjoy and a few of those you would find least appealing. Please explain your reasons for those choices (if needed use additional paper).

Please attach your resume to this application. Prospective interns must reside, or be registered to vote in the 26th Congressional District. Internships are provided on a non-paid basis. Prospects must be 18 years or older and attend an accredited college or university.
