This Amendment revises the RFP as stated below:

1. SECTION A - SOLICITATION/CONTRACT FORM is revised to clarify that all questions related to this solicitation should be submitted electronically (via email) to the Contracting Officer, and revised to read as follows: "Please Note: All questions related to this solicitation are due by 3:30PM (Local Time) on March 12, 2008, **and should be submitted electronically (via email) to John R. 2. SECTION J - LIST OF ATTACHMENTS, Attachment 4: Contractor Assessment Report/Performance Indicators and Standards, is revised to correct an incorrect title heading used for Option # 3 and found on both page 4 and page 18 of the attachment.

The original title heading for Option # 3 (on page 4 and 18) read as follows:
