

**I control
my diabetes so
I'll be around
to see the next
Jackie Robinson.**

**Controlling diabetes makes a
huge difference.**

My granddaughter means the world to me. So I'm controlling my diabetes. That means I keep my blood sugar close to normal by watching what I eat and walking every day. I always take my medicine and test my blood sugar.

With my diabetes under control, I feel a lot better and have more energy. Best of all, I'm going to be around for my family... for my friends... for life.
