

## Lottery funds help Oregon become the nation's leading solar manufacturer.

The challenge was to capture the energy from that big glowing orb 93 million miles away and put it to use. With help from Lottery funds, Oregon is now home to the largest solar manufacturing

It does good things™

facility in the entire nation. Which translates to enough solar products to power 180,000 households. And that also means 2,000 new Oregon jobs over the next five years.
