The Government shall not claim resident tuition and fees for any student solely on the basis of the student residing in the State as a consequence of enrollment under this agreement.

(d) The Contractor shall charge the Government only the tuition and fees which relate directly to enrollment as a student. Tuition and fees may include—

(i) Penalty fees for late registration or change of course caused by the Government;

(ii) Mandatory health fees and health insurance charges; and

(h) If unforeseen events require additional charges that are otherwise payable under the Contractor's normal tuition and fee schedule, the Contractor may submit a supplemental invoice or make the adjustment on the next regular invoice under this agreement. The Contractor shall clearly identify and explain the supplemental invoice or the adjustment.

(i) The Contractor shall apply any credits resulting from withdrawal of students, or from any other cause under its standard procedures, to subsequent invoices submitted under this agreement. Credits should appear on the first invoice submitted after the action resulting in the credits. If no subsequent invoice is submitted, the Contractor shall deliver to the Contracting Officer a check drawn to the order of the office designated for contract administration. The Contractor shall identify the reason for the credit and the applicable term dates in all cases.

#### 4. *Withdrawal of students.*

(d) Withdrawal of students by the Government will not be the basis for any special charge or claim by the Contractor other than charges under the Contractor's standard procedures.

5. *Transcripts.* Within a reasonable time after withdrawal of a student for any reason, or after graduation, the Contractor shall send to the Contracting Officer (or to an address supplied by the Contracting Officer) one copy of an official transcript showing all work by the student at the institution until such withdrawal or graduation.

6. *Student teaching.* The Government does not anticipate the Contractor awarding fellowships and assistantships to students attending school under this agreement. However, for graduate students, should both the student and the Contractor decide it to be in the student's best interests to assist in the institution's teaching program, the Contractor may provide nominal compensation for part-time service. Base the compensation on the Contractor's practices and procedures for

other students of similar accomplishment in that department or field. The Contractor shall apply the compensation as a credit against any invoices presented for payment for any period in which the student performed the part-time teaching service.

### 7. Termination of agreement.

(a) Either party may terminate this agreement by giving 30 days advance written notice of the effective date of termination. In the event of termination, the Government shall have the right, at its option, to continue to receive educational services for those students already enrolled in the contractor's institution under this agreement until such time that the students complete their courses or curricula or the Government withdraws them from the Contractor's institution. The terms and conditions of this agreement in effect on the effective date of the termination shall continue to apply to such students remaining in the Contractor's institution.

(b) Withdrawal of students under Schedule provision 4 shall not be considered a termination within the meaning of this provision 7.

(c) Termination by either party shall not be the basis for any special charge or claim by the Contractor, other than as provided by the Contractor's standard procedures.
