## Instructions and Definitions

**Completion of Form** — Complete Section A of this form for each insured employee who has retired under any system other than the Civil Service Retirement System (CSRS) or Federal Employees' Retirement System (FERS) and who submits a completed *Agency Certification of Insurance Status* (SF 2821).

**Disposition of Form** — Send Part 1 and Part 2 of this form and all life insurance forms (SF 2817, SF 2818, SF 2819, SF 2821, SF 2823, RI 76-10, RI 76-27, FE-8C, etc.) and applicable court order(s), if any, to the Office of Personnel Management (OPM), P.O. Box 45, Boyers, PA 16017-0045. Keep Part 3 in the annuitant's file. We will complete Section B and send you a copy for your records, indicating whether the retired annuitant is insured.

**Immediate Annuity** — See item 8 of Section A. This means an annuity which begins to accrue no later than 1 month after the date that the insurance would otherwise stop. (You can find this date on the *Agency Certification of Insurance Status* [SF 2821] that the retiring employee submitted to you.)

**Reduction or Cancellation of Insurance** — An annuitant can cancel Basic and/or Optional insurance at any time, unless he/she assigned the coverage. In that case only the assignee(s) may cancel the coverage. Cancellation of Basic automatically cancels all Optional insurance.

In order to cancel, the annuitant (or assignee(s), as applicable) should write to you requesting the change, so that you can reduce or stop deductions. The change is effective at the end of the month in which you receive the request. You should send the original letter to OPM, P.O. Box 45, Boyers, PA 16017-0045. Keep a copy in the annuitant's file.

**Changing Post-Retirement Basic to 75% Reduction** — An annuitant can change Basic from No Reduction or 50% Reduction to 75% Reduction at any time, unless he/she assigned the coverage. In that case, only the assignee(s) can change the Basic. The annuitant (or assignee(s), as applicable) should write to you to request the change. The change is effective at the end of the month in which you receive the request. You should send the original letter to OPM at the above address. Keep a copy in the annuitant's file. The annuitant is not entitled to a refund of withholdings you already made.

Neither the annuitant nor the assignee(s) can change from No Reduction to 50% Reduction or vice versa, nor from 75% Reduction to either 50% or No Reduction.

**Changing Post-Retirement Option B or Option C** — An annuitant can change *all* multiples of Option B and/or Option C from Full Reduction to No Reduction or vice versa at any time before reaching age 65, unless he/she assigned the coverage. In that case, only the assignee(s) can change Option B from No Reduction to Full Reduction. The annuitant (or assignee(s), as applicable) should write you to request the change. The change is effective at the end of the month in which you receive the request. You should send the original letter to OPM at the above address. Keep a copy in the annuitant's file. (Of course such changes before age 65 have no practical meaning. Annuitants continue to pay for Option B and Option C coverage until they reach age 65. Whether they continue to pay premiums after age 65 depends on their choice of No Reduction or Full Reduction.)

**Age 65 Birthday Letter** — You need to send a letter to all annuitants shortly before they reach age 65, or shortly after they retire if they retire after age 65. This letter should give the annuitant a choice to mix and match Option B and Option C multiples with No Reduction and Full Reduction. You may also need to write to assignees. Please contact us if you need more information about this.

After reaching age 65, the annuitant can only change some or all multiples from No Reduction to Full Reduction, unless he/she assigned the coverage. In that case, only the assignee(s) can change Option B from No Reduction to Full Reduction. The annuitant is not entitled to a refund of withholdings you already made. Neither the annuitant nor assignee(s) can change from Full Reduction to No Reduction.

**Reporting Terminations of Annuity** — When the annuitant dies or the annuity terminates, complete Section C and send the form to OPM. If you receive a completed *Claim for Death Benefits* (Form FE-6) and/or certified death certificate, also send them to OPM.
