RETAIL CONSIGNEES FOR FSIS RECALL 005-2009

FSIS has reason to believe that the following retail locations received sausage products that have been recalled by Alaska Sausage Company, Inc. This list may not include all retail locations that have received the recalled product or may include retail locations that did not actually receive the recalled product. Therefore, it is important that you use the product-specific identification information, available at http://www.fsis.usda.gov/News_&_Events/Recall_005_2009_Release/index.asp , in addition to this list of retail stores, to check meat or poultry products in your possession to see if they have been recalled.
