TITLE 42. THE PUBLIC HEALTH AND WELFARE
CHAPTER 66--DOMESTIC VOLUNTEER SERVICES**

Current through P.L. 106-170, approved 12-17-99

Subchapter I, National Volunteer Antipoverty Programs

Part A - Volunteers In Service To America

§ 4950. Volunteerism policy

(a) Because of the long-standing importance of volunteerism throughout American history, it is the policy of the Congress to foster the tradition of volunteerism through greater involvement on the part of both young and older citizens.

(b) The purpose of this chapter is to foster and expand voluntary citizen service in communities throughout the Nation in activities designed to help the poor, the disadvantaged, the vulnerable, and the elderly. In carrying out this purpose, the Corporation for National and Community Service shall utilize to the fullest extent the programs authorized under this chapter, coordinate with other Federal, State, and local agencies and utilize the energy, innovative spirit, experience, and skills of all Americans.

§ 4951. Congressional statement of purpose

This part provides for the Volunteers in Service to America (VISTA) program of full-time volunteer service, together with appropriate powers and responsibilities designed to assist in the development and coordination of such program. The purpose of this part is to strengthen and supplement efforts to eliminate and alleviate poverty and poverty-related problems in the United States by encouraging and enabling persons from all walks of life, all geographical areas, and all age groups, including low-income individuals, elderly and retired Americans, to perform meaningful and constructive volunteer service in agencies, institutions, and situations where the application of human talent and dedication may assist in the solution of poverty and poverty-related problems and secure and exploit opportunities for self-advancement by persons afflicted with such problems. In addition, the objectives of this part are to generate the commitment of private sector resources, to encourage volunteer service at the local level, and to strengthen local agencies and organizations to carry out the purpose of this part.

§ 4952. Authority to operate VISTA program

This part shall be administered by one of the Assistant Directors appointed pursuant to section 12651e(d)(1)(A) of this title. Such Director may recruit, select, and train persons to serve in full-time volunteer programs consistent with the provisions and to carry out the purpose of this part.

§ 4953. Selection and assignment of volunteers

(a) Covered projects and programs

The Director, on the receipt of applications by public or nonprofit private organizations to receive volunteers under this part, may assign volunteers selected under subsection (b) of this section to work in appropriate projects and programs sponsored by such organizations, including work--

(1) in meeting the health, education, welfare, or related needs of Indians living on reservations or Federal trust lands, of migratory and seasonal farmworkers and their families, and of residents of the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, or the Virgin Islands;

(2) in the care and rehabilitation of mentally ill, developmentally disabled, and other handicapped individuals, especially those with severe handicaps;

(3) in addressing the problems of the homeless, the jobless, the hungry, and low-income youths;

(4) in addressing the special needs connected with alcohol and drug abuse prevention, education, and related activities, consistent with the purpose of this part;

(5) in addressing significant health care problems, including chronic and life-threatening illnesses and health care for homeless individuals (especially homeless children) through prevention, treatment, and community-based care activities;

(b) Recruitment and placement procedures for local and national placement of volunteers; establishment, requirements, etc.

(1) The Director shall establish recruitment and placement procedures that offer opportunities for both local and national placement of volunteers for service under this part.

(2)(A) The Director shall establish and maintain within the national headquarters of the Corporation (or any successor entity of such agency) a volunteer placement office which shall be responsible for all functions related to the recruitment and placement of volunteers under this part. Such functions and activities shall be carried out in coordination or in conjunction with recruitment and placement activities carried out under the National and Community Service Trust Act of 1993 [42 U.S.C.A. § 12501 et seq.]. Upon the transfer of the functions of the ACTION Agency to the Corporation for National and Community Service, the office established under this subparagraph shall be merged with the recruitment office of such Corporation. (3) Volunteers shall be selected from among qualified individuals submitting an application for such service at such time, in such form, and containing such information as may be necessary to evaluate the suitability of each individual for such service and to determine, in accordance with paragraph (7), the most appropriate assignment for each such volunteer. The Director shall approve the application of each individual who applies in conformance with this subsection and who, on the basis of the information provided in the application, is determined by the Director to be qualified to serve as a volunteer under this part.

(4) The Director shall ensure that applications for service as a volunteer under this part are available to the public on request to the Corporation (including any State or regional offices of the Agency) and that an individual making such request is informed of the manner in which such application is required to be submitted. A completed application may be submitted by any interested individual to, and shall be accepted by, any office of the Corporation.

(5)(A) The Director shall provide for the assignment of each applicant approved as a volunteer under this part to a project or program that is, to the maximum extent practicable, consistent with the abilities, experiences, and preferences of such applicant that are set forth in the application described in paragraph (4) and the needs and preferences of projects or programs approved for the assignment of such volunteers.

(F) If feasible and appropriate, low-income community volunteers shall be given the option of serving in the home communities of such volunteers in teams with nationally recruited specialist volunteers. The Director shall attempt to assign such volunteers to serve in the home or nearby communities of such volunteers and shall make national efforts to attract other individuals to serve in the VISTA program. Its purpose further is to provide technical assistance and training to encourage other students and faculty to engage in volunteer service on a part-time, self-supporting basis, to meet the needs of the poor in the surrounding community through expansion of service-learning and community service programs and otherwise.

(b) University Year for VISTA

This part provides for the University Year for VISTA (UYV) program of full-time volunteer service by students enrolled in institutions of higher education. The purpose of the UYV program is to strengthen and supplement efforts to eliminate poverty and poverty-related human, social, and environmental problems by enabling students at cooperating institutions to perform meaningful and constructive volunteer service in connection with the satisfaction of course-work while attending such institutions. Volunteer service under this part is conducted in agencies, institutions, and situations where the application of human talent and dedication may assist in the solution of poverty and poverty-related problems and secure and exploit opportunities for self-advancement by individuals experiencing such problems.

§ 4972. Authority to operate University Year for VISTA program

§ 4973. Special conditions

(a) Academic credit

Volunteers serving under this part shall be enrolled for periods of service as provided for in subsection (b) of section 4954 of this title, except that volunteers serving in the University Year for VISTA program may be enrolled for periods of service of not less than the duration of an academic semester or its equivalent, but volunteers enrolled for less than 12 months shall not receive stipends under section 4955(a)(1) of this title. Volunteers may receive a living allowance and such other support or allowances as the Director determines to be appropriate.

(b) Participation of student volunteers and educational institutions

Grants to and contracts with institutions to administer programs under this part shall provide that prospective student volunteers shall participate substantially in the planning of such programs and that such institutions shall make available to the poor in the surrounding community all available facilities, including human resources, of such institutions in order to assist in meeting the needs of such poor persons.

(c) Financial assistance limitation; commitment stipulations; monitoring of compliance with commitment; compliance information to Secretary

(1) In making grants or contracts for the administration of UYV programs under this part, the Director shall insure that financial assistance under this chapter to programs carried out pursuant to section 4972 of this title shall not exceed 90 per centum of the total cost (including planning costs) of such program during the first year and such amounts less than 90 per centum as the Director, in consultation with the institution, may determine for not more than four additional years, including years in which support was received under title VIII of the Economic Opportunity Act of 1964, as amended (42 U.S.C. 2991-2994d). Each such grant or contract shall stipulate that the institution will make every effort to (A) assume an increasing proportion of the cost of continuing a program carrying out the purpose of this part while the institution receives support under this part; (B) waive or otherwise reduce tuition for participants in such program, where such waiver is not prohibited by law; (C) utilize students and faculty at such institution to carry out, on a self-supporting basis, appropriate planning for such programs; and (D) maintain similar service-learning programs after such institution no longer receives support under this part.

§ 5011. Grants and contracts for individual service projects

(a) Foster Grandparent projects; amount

The Director is authorized to make grants to or contracts with public and nonprofit private agencies and organizations to pay part or all of the cost of development and operation of projects (including direct payments to individuals serving under this part) designed for the purpose of providing opportunities for low-income persons aged sixty or over to provide supportive person-to-person services in health, education, welfare, and related settings to children having exceptional needs. Individual foster grandparents may provide person-to-person services to one or more children, depending on the needs of the project and local site. The Director may approve assistance in excess of 90 per centum of the costs of the development and operation of such projects only if the Director determines, in accordance with regulations the Director shall prescribe establishing objective criteria, that such action is required in furtherance of the purpose of this section. Provision for such assistance shall be effective as of September 19, 1972. In the case of any project with respect to which, prior to such date, a grant or contract has been made under section 3044b(a) of this title or with respect to any project under the Foster Grandparent program in effect prior to September 17, 1969, contributions in cash or in kind from the Bureau of Indian Affairs, Department of the Interior, toward the cost of the project may be counted as part of the cost thereof which is met from non-Federal sources.

(B) the period of time during which such services shall be continued in the case of each individual child.

(2) In the event that such an agency or organization determines that it is in the best interests of a mentally retarded child receiving, and of a particular foster grandparent providing, services in such a project, such relationship may be continued after the child reaches the chronological age of 21: Provided, That such child was receiving such services prior to attaining the chronological age of 21. If the particular foster grandparent subject to the determination under this paragraph becomes unavailable to serve after such determination is made, the agency or organization may select another foster grandparent.

(3) Any determination made by a public or nonprofit private agency or organization under paragraphs (1) and (2) of this subsection shall be made through mutual agreement by all parties involved with respect to the provision of services to the child involved.

(c) "Child" and "children" defined

In establishing the amount of, and the effective date for, such adjustment, the Director, in consultation with the State Commissions on National and Community Service (as established under section 12638 of this title) and the heads of the State offices established under section 12651f of this title, shall consider the effect such adjustment will have on the ability of non-Federally funded volunteer programs similar to the programs under this subchapter to maintain their current level of volunteer hours.

(e) "Low-income person" and "person of low income" defined

For purposes of this part, the terms "low-income person" and "person of low income" mean--

(1) any person whose income is not more than 125 per centum of the poverty line defined in section 9902(2) of this title and adjusted by the Director in the manner described in such section; and

(2) any person whose income is not more than 100 per centum of such poverty line, as so adjusted and determined by the Director after taking into consideration existing poverty guidelines as appropriate to local situations.

Persons described in paragraph (2) shall be given special consideration for participation in projects under this part.

(B) The regulations issued by the Director to carry out this part (other than any regulations relating to allowances, stipends, and other financial support authorized by subsection (d) of this section to be paid under this part to low-income persons) shall apply to all volunteers under this part, without regard to whether such volunteers are eligible to receive a stipend under subsection (d) of this section.

(C) Individuals who are not low-income persons may not serve as volunteers under this part in any community in which there are volunteers serving under part A of this subchapter unless such individuals have been referred previously for possible placement as volunteers under part A of this subchapter and such placement did not occur.

(2)(A) Except as provided in subparagraph (B), each recipient of a grant or contract to carry out a project under this part shall give equal treatment to all volunteers who participate in such project, without regard to whether such volunteers are eligible to receive a stipend under subsection (d) of this section.

(B) An individual who is not a low-income person may not become a volunteer under this part if allowing such individual to become a volunteer under this part would prevent a low-income individual from becoming a volunteer under this part or would displace a low-income person from being such a volunteer.

(3) The Director may not take into consideration or require as a condition of receiving a grant or contract to carry out a project under this part, any applicant for such grant or contract--

(A) to accept or recruit individuals who are not low-income persons to serve as volunteers under this part; or

(B) to solicit locally generated contributions, in cash or in kind, to support such individuals.

The Director may not coerce any applicant for, or recipient of, such grant or contract to engage in conduct described in subparagraph (A) or (B).

(4) Funds appropriated to carry out this part may not be used to pay any cost, including any administrative cost, incurred in connection with volunteers under this part who do not receive a stipend under subsection (d) of this section. Such cost incurred with respect to a volunteer may be paid with--

(A) funds received by the Director as unrestricted gifts;

(B) funds received by the Director as gifts to pay such cost;

(C) funds contributed by such volunteer; or

(D) locally generated contributions in excess of the amount required to be contributed under subsection (a) of this section, in the discretion of the recipient of a grant or contract under such subsection.
