

I'm controlling my diabetes so I'll be around for my grandchildren.

Controlling diabetes makes a huge difference.

I know I'm controlling my diabetes because I keep track of my blood sugar numbers. I watch what I eat, make time for regular physical activity, and take my medicine as prescribed.

With my diabetes under control, I feel a lot better and have more energy. Best of all, I'm going to be around for my family... for my friends... for life.
