Public Information Officer NIMS Implementation Workshops Postponed

The B975 NIMS Implementation Workshop for Tribal and Local levels Public Information Officers, originally scheduled for August 13-15, 2007, at the Noble Training Center in Anniston, AL, has been cancelled. Additionally, the pending E975 NIMS Implementation Workshop for State level Public Information Officers, tentatively scheduled to occur at the Emergency Management Institute, Emmitsburg, MD, has also been cancelled.

The Incident Management Systems Division (IMSD) anticipates offering both workshops during Fiscal Year 2008.

We regret any inconvenience.
