## **NIMS Integration Center Releases New Webpage for NIMS Guides**

The National Incident Management System (NIMS) Integration Center releases the debut of the new NIMS *Guides* webpage. The debut of this webpage is an important step towards the development of additional NIMS guidance.

A NIMS *Guide* is a new document developed by the NIMS Integration Center and should be regarded as guidance or clarification; dealing specifically with the way NIMS doctrine or policy is defined or interpreted within a section of the NIMS. The NIMS *Guides* provide material used to augment and update specific detail elements related to the NIMS Document.

The NIMS *Guide* webpage can be accessed at: <http://www.fema.gov/emergency/nims/rm/guide.shtm>. Please bookmark this link because as the new NIMS *Guides* are being developed, they will be released publicly.

If you are interested in joining the NIMS Integration Center listserv to receive NIMS Alerts as they are posted, please send your email request to [NIMS-Integration-Center@dhs.gov](mailto:NIMS-Integration-Center@dhs.gov).
