

# Homeland Security

**Department of Homeland Security  
Office of Infrastructure Protection  
Presents**

---

***Private Sector Counterterrorism Awareness Workshop***

---

**Date:** Monday, January 7, 2008  
**Time:** 8:00 am – 4:30 pm  
**Location:** Wachovia Spectrum  
3601 South Broad Street  
Philadelphia, PA 19148

**Who Should Attend**

This workshop is designed to improve the knowledge of private sector security managers and directors by providing exposure to key elements of soft target awareness, surveillance detection, and improvised explosive device (IED) recognition.

The workshop will provide the participants an opportunity to:

- Gain insight into terrorists' objectives and trends related to tactics, techniques, and procedures
- Recognize potential indicators and warnings of terrorist activity
- Receive an overview on current types of IEDs being used
- Review theory and principles associated with Soft Target Awareness, Surveillance Detection, and IED Awareness
- Gain an understanding of the current terrorist threat and efforts underway by DHS and partner agencies to address these threats

**Registration**

***Participation is limited due to the seating capability of the venue location and registration will be provided on a first come, first serve basis.***

To register, please email the following information to [cat.philadelphia@dhs.gov](mailto:cat.philadelphia@dhs.gov):

- Name
- Title
