¹Lifetime alcohol drinking status: Lifetime abstainer is defined as a person who had less than 12 drinks in lifetime; former infrequent is defined as having had 12 or more drinks in lifetime, but less than 12 in 1 year, and none in past year; former regular is defined as having had 12 or more drinks in 1 year but none in past year; current is defined as having had 12 or more drinks in lifetime and 1 or more drinks in past year.

²Persons of other races and unknown race and ethnicity, unknown education, unknown poverty status, and unknown marital status are included in the totals.

³Age adjusted to the 2000 projected U.S. population using age groups 18–24 years, 25–44 years, 45–64 years, 65–74 years, and 75 years and over.

⁴GED is General Educational Development high school equivalency diploma.

⁵MSA is metropolitan statistical area (see Technical notes).

NOTE: Denominator for each percent distribution excludes persons with unknown lifetime drinking status.
