

Find It!

Everyday you use products made from oil and gas and sometimes you don't even know it. All kinds of things like pens, videotape, medicine, and trash bags are made from petroleum.

Try to find the 12 items made from petroleum listed below. The words are hidden among all of the letters and may be forward, backward, upside down, and diagonally. Good Luck!

Hints...

videotape
polar fleece
band aids
skis
white water rafts
crayons
canoes
life jackets
blazo
balloons
rope
tents
