

# Los Alamos National Laboratory

<b>Audits &amp; Ethics Director</b> Terry Brendlinger
<b>Community Programs Office</b> Kurt Steinhaus
<b>Chief Prime Contracts</b> Mike Rafferty
<b>Office of Equal Opportunity &amp; Diversity</b> Charles (CJ) Bacino
<b>Ombuds Office</b> Kirk Christensen
<b>Comm. &amp; Gov. Affairs</b> Lisa Rosendorf

<b>Terry Wallace</b> Principal Associate Director
<b>Science, Technology &amp; Engineering</b>

Chemistry, Life, & Earth Sciences Assoc. Director Mary Neu	Engineering & Engineering Sciences Assoc. Director Scott Gibbs	Experimental Physical Sciences Assoc. Director Susan Seestrom	Theory, Simulation, & Computation Assoc. Director Alan Bishop
ADCLES Chemistry	ADE Applied Engineering & Technology	ADEPS Physics	ADTSC Theoretical
Biology	Accelerator Operations & Technology	Materials Science & Technology	High Performance Computing
Earth & Environmental Sciences	Departmental Computing Services	Materials Physics & Applications	Computer & Computational Sciences
	Engineering Services	Los Alamos Neutron Science Center	
	Software and Applications Engineering		
	Network Infrastructure and Engineering		
	Prototype Fabrication		

<b>Institutional Leaders</b>	
<b>Michael R. Anastasio</b> Laboratory Director	
<b>Isaac E. Richardson</b> Deputy Laboratory Director	
<b>Executive Director</b> Rich Marquez	<b>Executive Office Manager</b> Peggy Gonzales

<b>Contractor Assurance Officer</b> Roland Knapp
<b>Cyber Security Office Director</b> Vacant
<b>Chief Information Officer</b> Tom Harper
<b>General Counsel</b> David Sosinski
<b>Chief Financial Officer</b> Glenn Kizer
<b>National Security Officer</b> Patrice Stevens (Acting)

<b>Glenn Mara</b> Principal Associate Director
<b>Weapons Programs</b>

Stockpile Manufacturing & Support Assoc. Director Carl Beard	Weapons Engineering Assoc. Director Bret Knapp	Weapons Physics Assoc. Director Charles McMillan
ADSMS Program Management & Production Planning	ADWE Weapons Technology	ADWP Applied Physics
Plutonium Manufacturing & Technology	Weapons Systems	Dynamic and Energetic Materials
Weapons Component Manufacturing	Hydrodynamic Experiments	
Manufacturing Quality		
RAD Liquid Waste		

Threat Reduction Assoc. Director Mike Burns (Acting)
ADTR Decision Applications
International & Applied Technology
International, Space, & Response
Nuclear Nonproliferation

<b>Mike Mallory</b> Principal Associate Director
<b>Operations &amp; Business</b>

Nuclear & High Hazard Operations Assoc. Director Robert McQuinn	Project Management & Site Services Assoc. Director Thomas McKinney	Environment, Safety, Health, & Quality Assoc. Director Chris Cantwell	Safeguards & Security Assoc. Director Michael Lansing	Business Services Assoc. Director Doris Heim	Environmental Programs Assoc. Director Michael Graham
ADNHHO Safety Basis	ADPMSS FIRP Projects	ADESHQ Radiation Protection	ADSS Security	ADBS Human Resources	ADEP Waste Services
Operations Support	Program Projects	PAAA Office	Safeguards	Central Training	TRU Waste Disposition
CMR Facility Operations	Construction Management	Occupational Medicine	Emergency Operations	Information Resource Management	TA-21 Closure
TA-55 Facility Operations	Cost & Schedule	Environmental Protection		Acquisition Services	LANL Water Stewardship Project
LANSCE Facility Operations	CMRR	ISMS/Worker Safety Office			Environment & Remediation Support Services
Weapons Facility Operations	Infrastructure Planning	Quality Assurance			Corrective Actions
Environmental & Waste Management Facility Operations	Maintenance & Site Services	Industrial Hygiene and Safety			
Institutional Facilities & Central Services Operations					
Science & Technology Facility Operations					
Utilities & Infrastructure Facility Operations					
Fire Protection Division
