--- Data not available.

- (1) Includes races other than white and black and origin not stated.
- (2) The number of States reporting Hispanic origin on the birth certificate was 48 and DC in 1990, 49 and DC in 1991-92, and 50 and DC in 1993 and later years; see Technical Appendix.
- (3) Includes persons of Hispanic origin of any race.
- (4) Data for States in which marital status was not reported have been inferred from other items on the birth certificate and included with data from the reporting States; see Technical Appendix.
- (5) Based on 100 percent of births in selected States and on a 50-percent sample of births in all other States; see Technical Appendix.
- (6) Births to unmarried women are estimated for the United States from data for registration areas in which marital status of mother was reported; see Technical Appendix.
- (7) Based on a 50-percent sample of births.
- (8) Based on a 20- to 50-percent sample of births.
