Dear Mr. Vice President and Mr. Speaker:

Enclosed is the Inspector General's Semi-Annual Report to the Congress along with the Corporation's Report on Final Action, as required under Section 5 of the Inspector General Act.

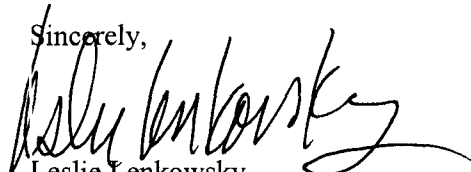

These reports cover the six-month period from April 1, 2002 through September 30, 2002. During this period, the Corporation made management decisions on two audits and completed final action on or closed 19 audits. Subsequent to this period, the Corporation completed corrective action on three additional audits and made a management decision on one.

We are pleased that the Corporation's new Inspector General, Russell George, was confirmed on July 29, 2002, and is now on board. Corporation staff is working closely with Mr. George and his staff and continuing to make progress towards resolving all audits.

We are sending copies of this semi-annual report to interested Congressional committees, the Office of Management and Budget, and the Corporation's Board of Directors. We will also make copies available to others on request.

If you have any questions concerning these reports, please contact me or Russell George, the Corporation's Inspector General.
