CONTENTS

1. INTRODUCTION

The EDCS application allows the Customers and Agents to submit forms when their vessels arrive at Panama waters as well as for ACP Representatives to process these submissions. The EDCS application is divided into different forms each of which serves its own purpose.

This user manual is primarily designed for users that will be using the system directly. This includes the Customers, Agents and ACP Representatives such as the ETA Clerk, Booking Clerk and Watch Supervisor.

1.1 Features

The system provides the following forms (modules):

- **ETA**
- **Ship Due (SHD)**
- **Ship Due for Small Crafts (SSC)**
- **Transit Booking Request (TBR)**
- **Transit Booking Cancellation (TBC)**
- **Request for Same Day Transit (SDT)**
- **Daylight Transit Request (DLT)**
- **Cargo Declaration (CAD)**
- **Crew List (CRL)**
- **Passenger List (PGL)**

1.2 Target Users

- EDCS Customers and Agents, ACP staff using the EDCS system, for example: the ETA Clerk, Booking Clerk and Watch Supervisor
- Technical support staff for the EDCS

1.3 System Requirements

1.3.1 Hardware Requirements

1.3.1.1 Client Side

- Pentium II and above
- 64 MB RAM and above
- Color Monitor
- 28.8 kbps and above Modem
- 1 telephone line

1.3.1.2 Server Side

- Pentium III and above
- 256 MB RAM or above

1.3.2 Software Requirements

1.3.2.1 Client Side

- Windows 95 and above
- Internet browser
 - Netscape Navigator 7.0 and above or
 - Microsoft Internet Explorer 6.0 and above
- Internet access

1.3.2.2 Server Side

- Oracle Database 8.1.6
- Sun Solaris 7 and 8
- Java tools (JDK/SDK)

3. Click **OK** to apply the settings

1.3.3.3.2 Enable Cache and Network Comparison

1. Click **Edit – Preference – Advanced - Cache** from the browser menu bar
2. Click 'Document in cache is compared to document on network' to '**Every time**'

1.3.2.4 Internet Explorer

1.3.3.4.1 Enable Javascript

1. Javascript is automatically enabled in your browser

1.3.3.4.2 Enable Cache and Network Comparison

1. Click **Tools - Internet Options - General** tab
2. At the Temporary Internet files section, click **Settings**
3. Under the option 'Check for newer versions of stored pages, check on the '**Every visit to the page**' option
4. Click **OK** to apply the settings

1.4 General Information

- * Marker indicates mandatory fields and must be keyed in. You will not be able to proceed with any mandatory fields are left empty.
- **Click once** only and do not double-click as this will resend the request
- If you receive error messages upon clicking the **Submit** button, such as mandatory fields must be keyed in, you must rectify all errors identified before you can proceed
- If your session has **timed out** messages due to inactivity, click the **Logout** button to logout, and then re-login to use the application
- The application is still **processing** your request when the browser icon on the top right hand corner is in motion. Please wait till the animation stops before proceeding
- You can use the same login id to login **ONCE**
- For security reasons, please do not use **History List** or **Bookmark** feature

1.5 Pre-Requisites

Registered user Ids must be available for log-on.

2 GETTING STARTED

2.1 Application URL

EDCS application will reside in the ADCS portal. Please bookmark the URL for future access. Please refer to the System Administrator for the correct URL, the below is an example of the URL.

<http://edcs.pan canal.com>

2.2 User ID and Password

In order to access the system, you need to have a User ID granted access to EDCS via the assigned user role(s). Please refer to Appendix A – User Roles and Access Rights.

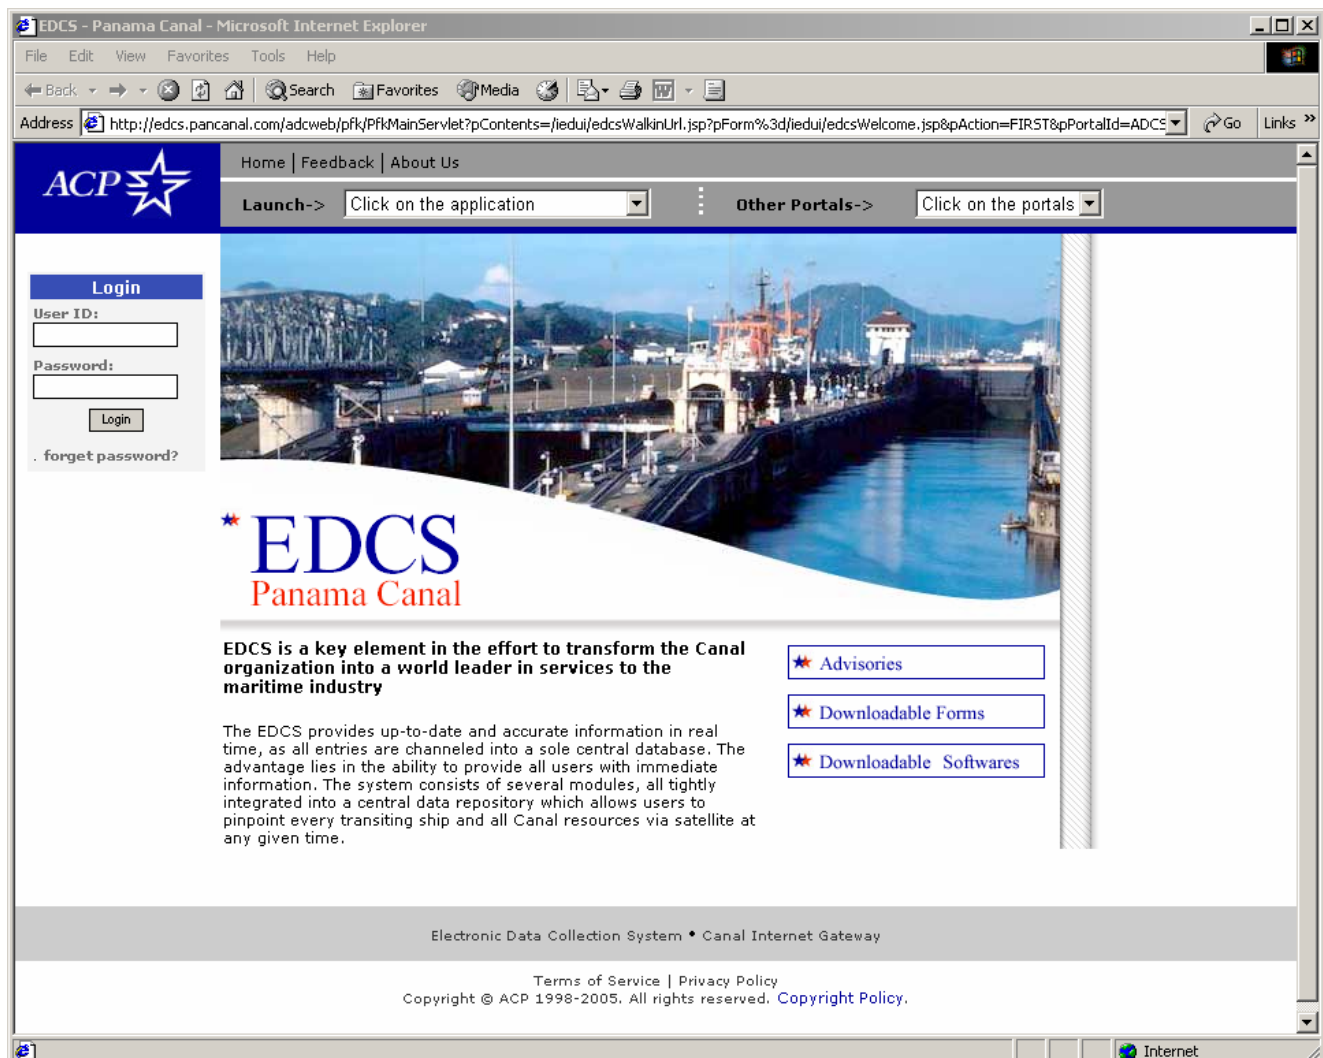

Fig 1.1 – EDCS Portal Website

2.3 Login

From the portal you have the option to login or to browse the introduction to other applications within the same portal.

To login, please key in your **User ID** and **Password**.

The image shows a login form with a blue header containing the word "Login". Below the header, there are two input fields: the first is labeled "User ID:" and the second is labeled "Password:". Below the password field is a button labeled "Login". At the bottom of the form, there is a link that says ". forget password?".

Fig 2.1 – Login

- User ID* Type in your **User ID** under 'User ID'. Note that it is case sensitive.
- Password* Type in your **Password**. Note that it is case sensitive.
- Login* Click on the **Login** button to logon to the application.

If you enter the User ID or password incorrectly, or your User ID is still in an inactive state (such as deregistered, suspended or not commenced), the 'Invalid User ID / Password' login error message will be displayed. Do note that **your password will automatically be frozen after 3 unsuccessful attempts to log in with an incorrect password.**

Fig 2.2 – Launch Application

- Launch Application* Choose 'Electronic Data Collection System' from the 'Launch ->' list box to launch the application

EDCS homepage screen

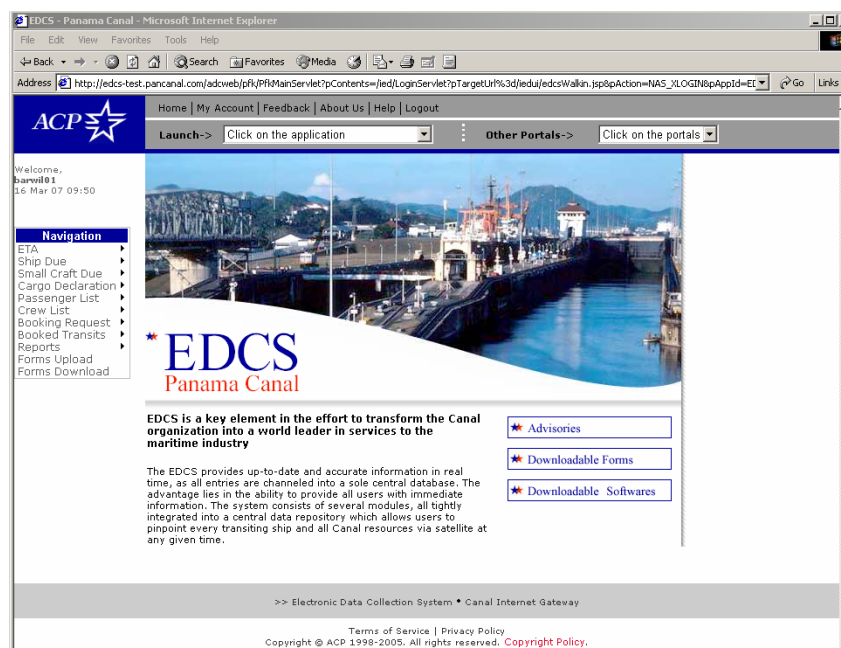

Fig 2.3 – EDCS Homepage

The maximum application launch session is default to 100 for each User ID. If you close the web browser without first logout from the portal, your number of chances to launch the application will be reduced on the next success login. ANA cron job shall free up any previous 12 hours launched application sessions daily.
