Introduction to the Economic Census	v
Professional, Scientific, and Technical Services.....	ix

Tables

1. Exported Services by Selected Kind of Business for the United States and States: 2002	1
2. Receipts/Revenue by Class of Customer for Selected Professional, Scientific, Technical Services for the United States and States: 2002	41
3. Receipts/Revenue by Class of Customer for Architectural, Engineering, and Related Services for the United States and States: 2002	299
4. Gross Billings for Advertising Agencies for the United States and States: 2002	334
5. Personnel and Payroll by Occupation and Legal Form of Organization for Legal Services Firms Subject to Federal Income Tax for the United States and States: 2002.....	335
6. Personnel and Payroll by Occupation for Legal Services for Firms Exempt From Federal Income Tax for the United States and States: 2002	355
7. Personnel and Payroll by Occupation for Legal Form of Organization for Accounting, Tax Preparation, Bookkeeping, and Payroll Services for the United States and States: 2002 ..	360
8. Personnel by Occupation and Legal Form of Organization for Engineering and Architectural Services for the United States and States: 2002	386
9. Personnel by Occupation and Legal Form of Organization for Computer Systems Design and Related Services for the United States and States: 2002	552
10. Summary Statistics for Enterprise Support Establishments by Industry Served for the United States: 2002	581

Appendixes

A. Explanation of Terms	A-1
B. NAICS Codes, Titles, and Descriptions	B-1
C. Methodology.....	C-1
D. Geographic Notes	--
E. Metropolitan and Micropolitan Statistical Areas	--

-- Not applicable for this report.

Table 1. Exported Services by Selected Kind of Business for the United States and States: 2002

[Includes only establishments of firms with payroll. For meaning of abbreviations and symbols, see introductory text. For explanation of terms, see Appendix A. Data based on the 2002 Economic Census. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see note at end of table. Enterprise support establishments are included. Because of this, comparability to 1997 Economic Census data may be limited. See introductory text for an explanation of the treatment of enterprise support establishments in the 2002 Economic Census compared to the 1997 Economic Census]

NAICS code	Geographic area, kind of business, and establishment type	Establishments (number)	Receipts/revenue (\$1,000)	Paid employees for pay period including March 12 (number)	Receipts from exported services (\$1,000)	Response coverage ¹ (percent)	Response coverage ² (percent)

¹Receipts of establishments reporting gross sales as a percent of total receipts.

²Receipts of establishments reporting gross billings as a percent of total receipts.

Note: The data in this table are based on the 2002 Economic Census. To maintain confidentiality, the Census Bureau suppresses data to protect the identity of any business or individual. The census results in this table contain nonsampling error. Data users who create their own estimates using data from this table should cite the Census Bureau as the source of the original data only. See also explanation of terms. For the full technical documentation, see Appendix C.

Table 5. Personnel and Payroll by Occupation and Legal Form of Organization for Legal Services Firms Subject to Federal Income Tax for the United States and States: 2002

[Includes only establishments of firms with payroll. For meaning of abbreviations and symbols, see introductory text. For explanation of terms, see Appendix A. Data based on the 2002 Economic Census. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see note at end of table. Enterprise support establishments are included. Because of this, comparability to 1997 Economic Census data may be limited. See introductory text for an explanation of the treatment of enterprise support establishments in the 2002 Economic Census compared to the 1997 Economic Census]

¹Employment of establishments reporting personnel by occupation as a percent of total employment.

²Payroll of establishments reporting payroll by occupation as a percent of total payroll.

Note: The data in this table are based on the 2002 Economic Census. To maintain confidentiality, the Census Bureau suppresses data to protect the identity of any business or individual. The census results in this table contain nonsampling error. Data users who create their own estimates using data from this table should cite the Census Bureau as the source of the original data only. See also explanation of terms. For the full technical documentation, see Appendix C.

Table 7. Personnel and Payroll by Occupation for Legal Form of Organization for Accounting, Tax Preparation, Bookkeeping, and Payroll Services for the United States and States: 2002

[Includes only establishments of firms with payroll. For meaning of abbreviations and symbols, see introductory text. For explanation of terms, see Appendix A. Data based on the 2002 Economic Census. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see note at end of table. Enterprise support establishments are included. Because of this, comparability to 1997 Economic Census data may be limited. See introductory text for an explanation of the treatment of enterprise support establishments in the 2002 Economic Census compared to the 1997 Economic Census]

¹Employment of establishments reporting personnel by occupation as a percent of total employment.

Note: The data in this table are based on the 2002 Economic Census. To maintain confidentiality, the Census Bureau suppresses data to protect the identity of any business or individual. The census results in this table contain nonsampling error. Data users who create their own estimates using data from this table should cite the Census Bureau as the source of the original data only. See also explanation of terms. For the full technical documentation, see Appendix C.
