

Post-Doctoral Position
High Energy Neutrino Physics
Indiana University

The High Energy Neutrino Physics and Particle Astrophysics group at Indiana University is seeking applications for a post-doctoral position to be filled in the Summer/Fall 2008. The successful applicant will work with other group members on the MINOS and NOvA experiments.

The position is available immediately and is initially for one year with the possibility of extension for an additional 2 years. Applications, including a curriculum vita and three letters of reference should be sent by e-mail to Professor Mark Messier at messier@indiana.edu or by mail to

Professor Mark Messier
727 E. Third St. Swain West 117
Bloomington, IN 47405.

Applications received by November 1, 2008 will be assured full consideration.

Further information about the group can be found at <http://media4.physics.indiana.edu/~heap/> .

Indiana University is an Equal Opportunity/Affirmative Action Employer, and encourages applications from women and members of minority groups.
