

Beginning Exporter's Resource Guide

{A} NEW TO EXPORT, NEW BUSINESS OR START UP COMPANY

Check your company's readiness to start exporting with this short questionnaire:

- Your score will help you to assess your export readiness, and identify areas your business needs to strengthen to improve its export activities.

http://hq-intranet04.ita.doc.gov/bid/export_questionnaire.asp

Assess your current export business potential:

- *Breaking Into the Trade Game* – This free book is available online and will help your company decide if exporting is right for you.

http://www.sba.gov/idc/groups/public/documents/sba_program_office/oit_bittg2009brochure.pdf

Export resource book – with forms & examples – free and online:

- *Basic Guide to Exporting* – This book provides information regarding the foundations of exporting, from developing an export strategy to making international contacts. <http://www.unzco.com/basicguide/index.html>

Small Business Administration- International Trade Resources & Assistance-

- *International Trade Online Library:*

SCORE, Counselors to America's Small Business – Free assistance from successful, retired executives that will help you develop your business plan. To find the SCORE nearest you, please visit: <http://www.score.org/>

{B} EARLY STAGE EXPORT BUSINESS

Identifying the right market *for you* is an important step to succeeding in exporting:

- This link provides information to help your company identify the best international markets for your products or services. (The market research links are helpful.)

http://www.export.gov/exportbasics/exp_001737.asp

Prepare to enter your market:

http://www.export.gov/exportbasics/exp_001738.asp

Market Research

Plan your market entry the right way – use market research to learn your product’s potential in a given market, the best prospects for success, and the market’s business practices before you first export.
