

Cerebral Palsy

February 6th, 1958

Dear Mr. Lyons:

Enclosed is the check which you requested, covering the expenses of Colonel Quinn.

I am deeply grateful to you for the job you do for legislation and appropriations. It is incredible how many of the other agencies have no idea how important the legislative field really is and how many solutions it can hasten as compared with voluntary agency activity alone!

With all best wishes to you,

Yours,

Mr. Harry Lyons
