EXCHANGE COMMISSION

NOTICE OF COMMISSION MEETINGS

Following is a schedule of Commission meetings which will be conducted pursuant to provisions of the Government in the Sunshine Act. In general, the Commission expects to follow a schedule of holding closed meetings on Tuesdays, and open meetings on Thursday morning. Meetings on Wednesday, and if necessary on Thursday afternoons, will be either open or closed according to the requirements of agenda items under consideration. The Commission will not normally meet on Mondays or Fridays.

Visitors are welcome at all open meetings, insofar as space is available.

Meetings will be held in the Commission Meeting Room, Room 1C30, at the Commission's headquarters building, 450 Fifth Street, N.W., Washington, DC. Persons wishing to photograph or videotape Commission meetings must obtain permission in advance from the Secretary of the Commission. Persons wishing to tape record a Commission meeting should notify the Secretary's office 48 hours in advance of the meeting.

CLOSED MEETING - WEDNESDAY, MAY 30, 1984 - 10:00 a.m.

The subject matter of the May 30 closed meeting will be: Formal orders of investigation; Institution of administrative proceedings of an enforcement nature; Institution of injunctive action; Regulatory matter regarding financial institution; Chapter 11 proceeding; Opinion.

OPEN MEETING - THURSDAY, MAY 31, 1984 - 10:00 a.m.

The subject matter of the May 31 open meeting will be:

- (1) Consideration of whether to recommend that Congress enact legislation which would facilitate Commission investigations of securities transactions made in the U.S. markets from abroad. FOR FURTHER INFORMATION, PLEASE CONTACT Frederick Wade at (202) 272-2214.
- (2) Consideration of whether to adopt proposed amendments to Rule 19d-1 [17 CFR 240.19d-1] to permit self-regulatory organizations to submit to the Commission plans specifying the circumstances under which certain minor disciplinary infractions would not be reported to the Commission under the rule, or which would be reported in abbreviated form [Rel. 34-19969]. FOR FURTHER INFORMATION, PLEASE CONTACT Judith Levy at (202) 272-7345.
- (3) Consideration of whether to solicit public comment on issues related to filings by the Americus Shareowner Services Corp. for securities to be issued by the Americus Trust. Units of each trust series, a new type of securities trading and investment product, will be issued in exchange for shares of a single industrial issuer, and may be divided by a unitholder into two separately tradeable component parts: (a) carrying the dividend and voting rights in the underlying common stock; and (b) the right to its capital appreciation over a specified price as of a specified future date.

The Commission has received letters from several corporations and individuals raising concerns about the Americus Trust concept relating to the trading markets, shareholder communications, the Williams Act, and corporate governance. The Commission may solicit public comment to assist it in determining whether there are any legal, regulatory, or public policy concerns that warrant special consideration or action by the Commission regarding this new security product. FOR FURTHER INFORMATION, PLEASE CONTACT Joseph V. Del Raso at (202) 272-7320 or Michael Cavalier at (202) 272-2910.

(4) Consideration of a proposal by the Chicago Board Options Exchange to modify its rules governing market makers, among other things, to prescribe minimum requirements for the execution of trades in person. FOR FURTHER INFORMATION, PLEASE CONTACT Eneida Rosa at (202) 272-2913.

ADMINISTRATIVE PROCEEDINGS

NASD ACTION AGAINST JOSEPH J. BALINT AFFIRMED

The Commission affirmed sanctions imposed on Joseph J. Balint of Elmhurst, Illinois. Balint was formerly the financial and operations principal of an NASD member firm. The NASD censured him and fined him \$250.

The Commission found, as had the NASD, that Balint, who was responsible for his firm's compliance with customer protection requirements, failed to send the necessary telegraphic notice to the Commission and the NASD in December 1981 when his firm made an inadequate deposit in its Special Reserve Bank Account for the Exclusive Benefit of Customers. The Commission also found that Balint persisted in that failure despite the NASD's subsequent advice to send the required notice. The Commission pointed out that its customer protection rule requires that telegraphic notice be sent whenever a deposit is not made in accordance with a firm's contemporaneous reserve computation, and that the obligation to send notice continues until proper notification is given.

In affirming the sanctions imposed by the NASD, the Commission emphasized that the customer protection rule "is fundamental to the safeguarding of customers' funds" and that "it is essential that regulatory authorities be notified quickly of any potential problem in meeting deposit requirements". (Rel. 34-20950)

ALAN D. PLATT BARRED

The Commission entered Findings and Order Imposing Remedial Sanctions against Alan D. Platt, a former registered representative with a Denver broker-dealer and former president of American Petroleum, Inc. (API). The Commission's Order was entered under Platt's Offer of Settlement, in which he admitted a 1983 criminal conviction but otherwise neither admitted nor denied the allegations contained in the Commission's September 20, 1983 Order for Proceedings [Rel. 34-20210].

Platt consented to findings that he: violated the antifraud provisions of the securities laws; and was convicted, in August 1983, of theft and fraud in the sale of securities issued by API [State of Colorado v. Alan Dale Platt, Criminal Action No. 82-CR-228, County of Arapahoe 1982].

The Order bars Platt from association with any broker, dealer, investment company, investment adviser or municipal securities dealer provided that after five years he may reapply to become so associated in a supervised, non-supervisory, non-proprietary capacity. He may reapply only if he has complied with the requirements in his criminal judgment to make restitution to investors. (Rel. 34-20951)

CIVIL PROCEEDINGS

MARC G. ZILBERT CONSENTS TO PERMANENT INJUNCTION AND OTHER RELIEF

The Atlanta Regional and Miami Branch Offices announced that on May 10 Alcee L. Hastings, U.S. District Court for the Southern District of Florida, entered a Final Judgment of Permanent Injunction and Other Relief against Marc G. Zilbert, also known as Jim Collins, of Hollywood, Florida, enjoining him from further violations

of the registration and antifraud provisions of the securities laws. Zilbert consented to the Final Judgment without admitting or denying the allegations in the complaint.

Zilbert was enjoined from making misrepresentations of material facts and omissions of material fact in the offer, purchase and sale of Sunco Resource & Energy Ltd., Inc's fractional, undivided interests in oil and gas rights. Zilbert consented to an order requiring him to disgorge \$21,000 to Robert W. Pearce, the Sunco Receiver, payable \$7,500 within 10 days from entry of the Final Judgment, another \$7,500 within 60 days from entry of the Final Judgment, and \$250 a month for 24 months beginning 90 days from entry of the Final Judgment.

The March 9 complaint alleged that Zilbert and others raised approximately \$2.5 million from approximately 125 investors residing throughout the United States. (SEC v. Sunco Resource & Energy Ltd., Inc., et al., USDC SDFL, Civil Action No. 84-0618-CIV-ALH). (LR-10382)
