## COMMISSION ANNOUNCEMENTS

**COMMISSION RATE HEARINGS RECONVENED.** The SEC announced that it will reconvene on Thursday, August 16, 1973 its public investigatory hearing on commission rate schedules of registered national securities exchanges (Rel. 34-10206 and 34-10245) to consider New York Stock Exchange (NYSE) Exhibit #17. That exhibit, which was submitted on August 2, 1973, was the NYSE's response to a request made at the hearing for the underlying data supporting the estimates and methodology that went into the construction of the inflation cost index appearing on pages 19-31 of the NYSE's report, "The Urgent Need for a Securities Commission Rate Adjustment in an Inflationary Setting," which was presented to the Commission by the NYSE to support, in part, its rate increase proposals. Accompanying NYSE Exhibit #17 was a statement from the NYSE which indicated that in reviewing the inflation cost index for purposes of this exhibit, it employed new data sources in some categories and supplemented the data used in other categories in response to questions raised by the Commission's staff.

In order to consider the data furnished by the NYSE fully, the Commission has requested representatives of the NYSE to appear at 10 a.m., Thursday, August 16, 1973 at the Commission's headquarters, 500 North Capital Street, Washington, D.C. to present testimony on the foregoing NYSE Exhibit #17. Interested persons who wish to testify on that date with respect to that exhibit are invited to notify the Hearing Officer (William E. Toomey, Room 632, Securities and Exchange Commission, 500 North Capital Street, Washington, D.C. 20549; telephone (202) 755-1240) as soon as possible. The Commission invites all other interested persons to submit their views on that exhibit, a copy of which is available in the Public Reference Room of the Commission's Headquarters Office and at each of the Commission's Regional and Branch Offices. Alternatively, a copy of that exhibit may be obtained by writing to Dr. William C. Freund, Vice President and Chief Economist, New York Stock Exchange, Inc., Eleven Wall Street, New York, New York 10005. The period for submitting written comments on NYSE Exhibit #17 will expire on Friday, August 31, 1973. All written comments should be directed to Mr. Toomey. (Rel. 34-10337)

**TRADING SUSPENDED IN CIC INDUSTRIES DEBENTURES.** The SEC announced today the suspension of exchange and over-the-counter trading in the 11% debentures due 1975 of CIC Industries, Inc., a subsidiary of Colorado Interstate Corporation, for the period 10:00 a.m. (EDT) August 14, 1973 through midnight (EDT) August 23, 1973.

The Commission initiated the suspension because of questions which have arisen concerning the financial statements for the fiscal years 1971 and 1972 of Coastal States Gas Corporation (Coastal), the parent company of CIC Industries, Inc., and the accuracy of statements concerning available gas reserves.

The Commission had initiated temporary suspensions of trading in the common and preferred stock of Coastal on June 5, 1973 and on August 8, trading suspensions in all the mortgage bonds, debentures, and preferred stock of Coastal's subsidiaries, Coastal States Gas Producing Company, Colorado Interstate Corporation, and Colorado Interstate Gas Company. The current ten-day trading suspension in the securities of Coastal and its subsidiaries is for the period August 14, 1973 through August 23, 1973. (Rel. 34-10340)
