## ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST PIETRO GATTINI

The Commission instituted public administrative proceedings under Sections 15(b) and 19(h) of the Securities Exchange Act of 1934 against Pietro Gattini, a registered representative, and accepted Gattini's offer of settlement.

The administrative proceedings were based on the permanent injunction entered by consent against Gattini. The Commission's Order finds that Gattini was enjoined from further violations of the registration, antifraud and anti-manipulation provisions of the federal securities laws. The Order stated that the Commission's complaint alleged, among other things, that Gattini traded unregistered securities, sold DataForce stock between and among various accounts, and employed other manipulative devices, including nominee accounts, wash sales, and matched orders to create, develop and maintain the appearance of an active market for DataForce securities and to maintain an artificially high market price for the securities.

The Commission's Order provides that Gattini be barred from association with any broker, dealer, investment company, investment adviser, or municipal securities dealer, with the right to reapply in two years. (Rel. 34-27668 - Feb. 1)

## CIVIL PROCEEDINGS

### PERMANENT INJUNCTION ENTERED AGAINST PIETRO GATTINI

The San Francisco Branch Office announced that, on January 29, 1990, the United States District Court for the Northern District of California entered an Order of Permanent Injunction against Pietro Gattini of Astoria, New York. The Order permanently enjoins Gattini from violating the registration, antifraud, and antimanipulation provisions of the federal securities laws.

Gattini consented to the Order, without admitting or denying the Complaint's allegations. The Complaint alleges that Gattini participated in the unregistered distribution and the market manipulation of the stock of DataForce International, Inc. by (1) trading numerous shares of unregistered DataForce stock; (2) opening several nominee accounts for the purpose of trading DataForce stock and trading DataForce stock between those accounts; and (3) trading DataForce stock with and among nominee accounts opened by other participants in the scheme. Gattini consented to the entry of the Order without admitting or denying the allegations set forth in the Complaint. (SEC v. DataForce International, Inc., et al., Civ. Action No. C-86-5564, N.D. Ca.). (LR-12367)

### WILLIAM B. CLARK PERMANENTLY ENJOINED

The Fort Worth Regional Office announced that on February 5 a Final Judgment of Permanent Injunction and Other Equitable Relief was entered against William B. Clark, who was charged in a Commission injunctive action filed August 7, 1989 in the U.S. District Court for the Northern District of Texas. Clark consented to the entry of the judgment without admitting or denying the Commission's allegations. The judgment enjoins Clark from further violations of the antifraud, proxy, reporting and books and records provisions of the federal securities laws. Clark is also ordered to return 41 gas wells, which the Commission alleged were obtained in fraudulent exchange offers, to their former owners. Finally, Clark has been ordered to disgorge funds obtained from well revenues, as well as funds he received from his sale of AMX International, Inc. (AMX) stock. The complaint charges AMX, a Dallas-based company, Clark and two other principals, a certified public accountant, and a broker-dealer with engaging in a "penny stock" scheme involving the stock of AMX.

Default judgments have been entered against AMX, and another principal, while the accountant and broker-dealer have consented to permanent injunctions without admitting or denying the Commission's allegations. The case is pending against the one remaining AMX principal. (SEC v. AMX International, Inc., et al., Civil Action No. CA 3-89-2006-H, N.D. TX) (LR-12376)

DISGORGEMENT ORDER ENTERED AGAINST R.G. REYNOLDS ENTERPRISES, INC., RICHARD REYNOLDS

The Los Angeles Regional Office announced that, on February 2, Judge A. Andrew Hauk ordered defendants R.G. Reynolds Enterprises, Inc. and Richard Reynolds to disgorge a total of \$5,708,252. The Order, entered pursuant to stipulation, provides that Enterprises and Reynolds shall disgorge \$3,132,093, representing the funds raised from their offer and sale of the Loan Program/Managed Account, and \$823,075 from their offer and sale of the Moreland Gold Program, both unregistered securities offerings, together with prejudgment interest in the amount of \$1,753,084. Interest at the post-judgment rate is to be added to the amount outstanding until full payment is made. The Disbursing Agent previously appointed in this case shall, upon receipt of the disgorged funds from Enterprises and Reynolds, invest those funds in an interest-bearing account pending the resolution of the appeal filed by Enterprises and Reynolds.

On November 27, 1989, the Court granted partial summary judgment in favor of the Commission against Enterprises and Reynolds for violations of the registration and antifraud provisions of the securities laws in connection with their offer and sale of the Loan Program/Managed Account and the Moreland Gold Program. (See LR-12310). [SEC v. R.G. Reynolds Enterprises, Inc., et al., CDCA Civil Action No. 88-01978 AAH(KX)] (LR-12378)

ALAN E. CLORE, WARREGO FINANCIAL CO., SIRAP INVESTMENTS, N.V. ENJOINED

The Commission today announced the filing of a Complaint for Injunctive and Other Equitable Relief in the U.S. District Court for the District of Columbia against Alan E. Clore, Warrego Financial Co., and Sirap Investments, N.V. KaiserTech is a Delaware corporation headquartered in Oakland, California. Clore, a British citizen residing in Geneva, Switzerland, is the former chairman of the board of KaiserTech. Warrego and Sirap, Panamanian and Netherland Antilles corporations respectively, are 100% beneficially owned by Clore.

The Complaint alleges, among other things, that the defendants failed to amend statements made in Item 4 of Schedule 13D to disclose that Clore's purchases of 1.4 million shares of KaiserTech stock in October, 1987 were for the purpose of furthering Clore's objective to "take KaiserTech private." The Complaint also alleges that, during the period from December, 1986, through October, 1987, the defendants failed to file Forms 4 to disclose purchases in excess of 500,000 shares and sales in excess of 800,000 shares of KaiserTech stock.

Without admitting or denying the allegations of the complaint, all defendants consented to entry of a final order of permanent injunction against future violations. (SEC v. Alan E. Clore, Warrego Financial Co. and Sirap Investments, N.V., USDC for the District of Columbia, Civil Action No. 90-0297 TAF) (LR-12377)
