CLASSIFICATION AND DECLASSIFICATION OF NATIONAL SECURITY INFORMATION AND MATERIAL

The Commission is amending its regulation which designates the senior agency official responsible for ensuring appropriate implementation of Executive Order 12356, "National Security Information" and its implementing directive, Information Security Oversight Office Directive No. 1. These documents establish procedures and criteria for classifying, declassifying and safeguarding national security information. The amendments reflect the transfer of the responsibility for information security from the Secretary of the Commission to the Executive Director. (Rel. 33-6624)

CIVIL PROCEEDINGS

SONOMA INTERNATIONAL NAMED IN COMPLAINT

The Commission filed a civil injunctive action on February 5 in the U.S. District Court for the District of Columbia against Sonoma International of Culver City, California. The complaint alleges violations of the reporting provisions of the securities laws and seeks a judgment of permanent injunction and other equitable relief.

The Commission alleges that Sonoma, as part of a continuing course of violative conduct extending over several years, failed to file its Annual Report on Form 10-K for its fiscal year ended June 30, 1985, and its Quarterly Report on Form 10-Q for its fiscal quarter ended September 30, 1985, filed late Annual and Quarterly Reports and failed to file Notifications of Late Filing. The Commission requests that the Court order Sonoma to file its delinquent Annual and Quarterly Reports and enjoin it from further violations of the reporting provisions of the securities laws. (SEC v. Sonoma International, USDC DC, Civil Action No. 85-0332). (LR-10997)

TRUST INDENTURE ACT RELEASES

CITICORP

An order has been issued as of February 3 under the Trust Indenture Act of 1939 on an application by Citicorp that the trusteeship of United States Trust Company of New York under four existing, previously qualified indentures, and two Pooling and Servicing Agreements dated October 1, 1985 under which certificates evidencing interests in a pool of mortgage loans have been issued, is not so likely to involve a material conflict of interest as to make it necessary to disqualify the Trust Company as trustee. (Rel. TI-1072)
