EXHIBIT 1

FCC Form 1275 Item B - Ownership and Affiliation Statement

Pursuant to Section 76.1502(c) of the Commission's Rules, SureWest TeleVideo ("TeleVideo") submits the following ownership and affiliation information. TeleVideo is a wholly-owned subsidiary of SureWest Communications ("SureWest"). SureWest is a publicly traded California corporation, with only one class of voting securities, its Common Stock. No entity or person known by SureWest owns more than five percent of its Common Stock, except Vanguard Fiduciary Trust Company ("Vanguard"), which holds shares in trust for the benefit of participants in the SureWest KSOP, for which Vanguard is the Trustee.

The following is a list of entities that are "affiliates" of TeleVideo, as defined in Section 76.1500(g) of the Commission's rules:

- SureWest Communications
- SureWest Telephone
- SureWest Broadband
- SureWest Directories
- SureWest Long Distance
- SureWest Internet
- SureWest Wireless
- SureWest TeleVideo of Roseville
- West Coast PCS, LLC
- SureWest Custom Data Services

EXHIBIT 2

Form 1275, Item C.1

SureWest TeleVideo ("TeleVideo") is not a franchised cable TV operator in the areas in which service is proposed in this application, and Item C.1 is therefore not applicable. TeleVideo has had discussions with the City of Rocklin regarding the provisioning of cable TV services in Rocklin, California. However, even if TeleVideo were to become a franchised cable operator in Rocklin, it would still be eligible for certification to operate an open video system under the provisions of Section 76.1501. Under this provision, TeleVideo is eligible for OVS certification because it is a competitive local exchange carrier certified to provide telecommunications services in California.

Form 1275, Item C.4

SureWest TeleVideo is a non-dominant carrier and is not required under Section 64.903(a) of the Commission's rules to file a cost allocation manual. Accordingly, Item C.4 is not applicable. Although TeleVideo's corporate affiliate SureWest Telephone ("ST") is not the applicant, for the purposes of full disclosure it should be noted that ST is an incumbent local exchange carrier, but it is not required to file a cost allocation manual with the Commission because it is a mid-sized carrier. See 2000 Biennial Review Report & Order, 16 FCC Rcd 19911, 19980 (2001).
