EDUCATIONAL FEE WAIVER APPLICATION

The National Park Service will grant a fee waiver to a school group or other bona fide educational institution. To obtain a waiver certain criteria must be met.

1. Is this group recognized by a Federal, State, or local government as a bona fide educational or scientific institution?

If yes, please provide documentation from that government body stating your group's official recognition (accreditation certificate or letter from a government body attesting to the legitimacy of the school).

Note: An applicant who has been granted an educational tax exemption by the Internal Revenue Service or similar State tax authority will qualify for a fee waiver.

2. The applicant is required to provide a statement as to the educational purpose of the visit. The visit must relate to the resources of either Montezuma Castle or Tuzigoot National Monuments.

A general statement to the effect that the visit is for "educational purposes" is insufficient by itself. Please explain below **WHAT** the educational purpose entails and **HOW** it relates to the monument resources.

We are currently studying Native Americans of the Southwest and their technological and cultural achievements. By visiting the Monuments my student's will see these achievements firsthand. We will meet state standards 2+3 in Strand 1
