The Commission is publishing this notice and order to solicit comments on the proposed rule change from interested persons and to grant accelerated approval.

The proposed rule change establishes a cut-off date for processing securities transactions and implements procedures for EMCC to exit open fail positions prior to its dissolution.

In its filing with the Commission, EMCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. <sup>2</sup> The Commission has modified the text of the summaries prepared by EMCC.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

At EMCC's October 27, 2004, Board of Directors ("Board") meeting, the Board authorized EMCC's dissolution and deregistration as a clearing agency effective no later than March 31, 2005. In order to accomplish this, EMCC has set a cut-off date of February 18, 2005,<sup>3</sup> for the input of transactions.<sup>4</sup> While EMCC management expects that all trades submitted to it by February 15, 2005, will settle promptly, it is possible that some trades may not settle timely. Accordingly, EMCC is establishing February 23, 2005, as EMCC's final settlement date. This means that EMCC will exit from any trades that remain open as of February 23, 2005. Under revised Rule 3, Section 1 of EMCC's rules, EMCC will issue deliver and receive instructions to the original buyers and sellers for any trades that have not settled by February 23, 2005. The legal obligations of those parties will continue to be subject to EMCC's rules even though such trades will no longer settle pursuant to EMCC's rules. To the extent that EMCC discontinues processing before the end of February 2005, EMCC will prorate its members' February charges and will reflect any proration on the members' final bill.

EMCC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act<sup>5</sup> and the rules and regulations thereunder because it will enable EMCC to process its final transactions in an orderly manner thereby promoting the prompt and accurate

clearance and settlement of securities.

B. Self-Regulatory Organization's Statement on Burden on Competition.

EMCC does not believe that the proposed rule change will have an impact on or impose a burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments relating to the proposed rule change have been solicited or received by EMCC. EMCC will notify the Commission of any written comments it receives.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Commission finds that EMCC's proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder and particularly with the requirements of Section 17A(b)(3)(F)<sup>6</sup> of the Act. Section 17A(b)(3)(F) requires that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions. The proposed rule change will enable EMCC to process its final transactions in an orderly and transparent manner thereby promoting the prompt and accurate clearance and settlement of securities.

EMCC has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing. The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing because such approval will afford EMCC sufficient time to give its members notice of its decision to cease operations and to wind down its clearing agency operations in an orderly fashion.
